2-3 – Discipline

- a. Discipline comes from the Latin word that means “learning.” The dictionary defines it as “training which connects, molds, strengthens, or perfects.” It has no connotation of punishment. Military discipline is an outward manifestation of mental attitude and state of training, which renders obedience and proper conduct instinctive under all conditions. It is founded upon respect for loyalty to properly constituted authority. Do not confuse military discipline with punishment.
- b. Being disciplined means that the cadets are learning to place the tasks of their cadet corps and team above their personal desires. It means they are learning to follow the orders of their cadet leaders and instructors promptly and cheerfully, so that even in the leader’s absence they will observe established rules and conduct themselves properly. Cadets learn the principles of delayed gratification and dedication to trust and duty. They learn to balance responsibility, to delegate duties accordingly, to exercise judgment, and to regulate emotion.
- c. In training, cadet leaders will insist upon perfection in what may seem to be minor details. Such things as wearing the uniform properly will be closely scrutinized. Cadet behavior and applied leadership are expected to be of the highest caliber, both in and out of the JROTC classroom. Cadets are expected to conduct themselves at all times in a manner that will reflect credit upon themselves, their parents, the General's battalion, Dinwiddie High School, and the United States Army.
- d. When necessary, the following means will be employed to enforce conformance to proper behavior standards:
 - 1) Physical Exercise (Muscular Strength and Endurance Exercises).
 - 2) Administering detention and/or Bottom Line Notification.
 - 3) Demotion in cadet rank.
 - 4) Suspension or dismissal from the JROTC program.

2-4 – Personal Appearance – Personal cleanliness and good grooming are a necessity for JROTC cadets at all times.

a. Hair Styles:

The choice of hairstyle is an individual decision. There are a wide variety of hairstyles that, if neatly maintained, are acceptable. No unnatural hair colors, extreme contrast in hair colors, extreme high lights (Ex. red, blue, green), or fad hairstyles are allowed.

- 1) Haircuts for male cadets, without reference to style, must conform to the following standards in order to receive a passing mark upon inspection:
 - a) The hair on top of the head will be neatly trimmed and not of an excessive length. The hair will not be allowed to fall over the eyebrows.
 - b) No male ponytail, pig tails, braids or spiked hair.
 - c) The sides and back will be trimmed and tapered, but not shaven; however, it will not touch the collar or upper most tips of the ears.
 - d) Sideburns will be neatly trimmed and evenly tapered, with a clean line and no flare at the base, and they will not extend below the bottom part of the ear.
 - e) Beard and goatee are not authorized. However a neatly trim mustache is acceptable not exceed the top lips or the corner of the top lips

Dinwiddie High School JROTC SOP

- 2) Haircuts for female cadets, without reference to style, must conform to the following standards in order to receive a passing mark on uniform inspection:
 - a) Hair should be worn in such a manner that it does not fall below the bottom of the collar and not fall over one's eyebrows. No spiked hair allowed.
 - b) Hair must not be loose with the exception of minor fly-aways.
 - c) Hair bands must be of natural color or black.
 - d) Hair must not fray out of hair bands.
 - e) Cadets should use gel or hairspray to keep hair looking clean cut.
- b. Uniforms – The uniform of the United States Army is more than just a mere suit of clothes. It is a symbol of honor, tradition, and achievement. Smart appearance and proper conduct of a cadet in uniform is an indication of self-respect, pride, alertness, and loyalty to one's school and to one's country. Remember always that you are judged by your appearance.
 - 1) The uniform and required equipment are furnished on a loan basis to each cadet. Cadets are responsible for the condition of these items and for the proper return of all items issued at the end of the first semester if not returning for the second semester. If returning for second semester, all items will be turned in prior to the end of the school year. There are no charges for the use of the uniform and equipment, provided all items are turned in at the end of the semester, school year, or when the cadet is disenrolled from the JROTC program. Any misplaced items that are on loan to a cadet must be paid for at turn-in or prior to the end of the school year. If not, names will be turned in to administrators for further actions.
 - 2) Cost of cleaning, laundry, and normal maintenance of uniforms will be the responsibility of the cadet while the uniform is in their possession. Dry-cleaning and pressing of the uniform needs to occur every 2-3 weeks. If a cadet's family is having problems getting the uniform cleaned, the SAI/AI must be informed so that arrangements can be made.
 - 3) Uniforms will normally be worn one day (Thursday) each week or as announced by the SAI.
 - 4) The following are some of the "do's" and "don'ts" regarding proper wear of the uniform:
 - a) No portion of the uniform is ever worn as part of civilian attire.
 - b) Do not loosen the tie. The top button will be buttoned when the tie is worn.
 - c) No article of outer civilian clothing will be worn with the uniform except in inclement weather. (ie, black gloves.)
 - d) Keep the coat, shirt, and coat pockets buttoned and, when issued, wear the cap when outside.
 - e) Trousers should be long enough to completely hide your socks when standing and not sagging to the floor.
 - f) Males wear the belt so the metal tip is to your left. Females wear the belt so the metal tip is to the right.
 - g) Plain black socks will be worn with trousers and black shoes.
 - h) Uniforms will not be altered without the permission of the JROTC Department.
 - i) See ANNEX B with appendixes for proper wearing of the uniform shoulder patch and insignia.
 - j) Males will only wear plain white T-shirt with Class A/B uniform.
 - k) Females will wear a plain white camisole or T-shirt with their Class A/B Uniform.

Dinwiddie High School JROTC SOP

- l) It is the cadets' responsibility to inform SAI/AI of the improper fitting of the uniform so that the uniform could be altered or a new uniform can be issued to the cadet.

2-5 – Orders

- a. Orders may be oral or written. Dinwiddie High School JROTC cadets are expected to obey the orders or directives from our principal and teachers, the SAI and AI, and those cadet leaders who rank higher than those to whom the order is directed.
- b. If every subordinate were to question the fairness, justice, politeness, or wisdom of orders received from any authorized source, there would be no discipline and the JROTC unit of Dinwiddie High School would soon degenerate. A cadet is to obey lawful orders first and, if aggrieved, register a complaint to their superiors afterward.
- c. One of the main purposes of JROTC training is to develop one's leadership ability and the capacity to command. To command, one must first have learned to **obey**. The ideal cadet is one who finds no task too small to be faithfully performed.

2-6 – Military Courtesy

- a. All members of the Dinwiddie High School JROTC are expected to conduct themselves in a manner that will reflect no discredit upon themselves, their parents, their school, and the cadet corps.
- b. Military courtesy is nothing more than the display of good manners and politeness in dealing with other people. The only distinction between military courtesy and civilian courtesy is the form of expression by the military, which has become our customs and traditions of the service.
 - 1) The hand salute is one of the most significant forms of military courtesy and is simply the military way of saying "hello." It is also the custom to say "Good morning, afternoon, or evening Sir, or Ma'am," when exchanging salutes.
 - 2) Cadets addressing officers will use "sir" or "ma'am", or the rank and cadet's last name and will address all other cadets by their cadet rank and their last name. An NCO will never be addressed as "Sir" or "Ma'am."

There must also be a position vacancy. All assignments and promotions must be approved by the SAI/AI prior to orders being issued. Promotions, demotions, and appointments will be made on a cadet battalion order. No appointments, promotions, or demotions will be effective until that order is published. Assignments/promotions will be made as follows:

- a. The SAI and AI will select the following year’s battalion leadership (Battalion Commander, Executive Officer, Battalion Command Sergeant Major).

- e. Deserving LET-2/3 cadets will be promoted and assigned to positions of increased responsibility.

- b. A cadet who has below a 2.0 GPA at the end of a semester will be demoted one rank. A cadet who makes a D or F in JROTC on their last report card will be demoted one rank. Any cadet who received an F by the end of the semester in a class will be demoted one rank.
- c. Any cadet who receives out-of-school suspension (OSS) will be demoted and those who received in-school suspension (ISS) for 2 times per 9 weeks will be demoted one rank or two ranks base on the offense received at the discretion of the SAI/AI and could be relieved of their leadership position.
- d. Cadet officers and non-commissioned officers who fail to comply with JROTC regulations, the Cadet Creed, and Dinwiddie County Public Schools policy, or who passively allow other cadets to violate rules and regulations, will be demoted in rank and/or dismissed from the cadet corps.

Cadet Battalion Structure | 4-1
Extracurricular Teams | 4-2

Dinwiddie High School JROTC SOP

4-2 – Extracurricular Teams – Though participation is encouraged, extracurricular activities participation is voluntary on the part of the individual cadet. The SAI/AI serves as the faculty supervisor of these activities. One of the strengths of JROTC is that it allows many students to become involved in school extracurricular activities. This participation builds teamwork and self-esteem thus supplying the objectives of the program. To remain in good standing on a team, a cadet must maintain a 2.0 GPA each nine weeks as well as the semester. Also, the cadet cannot have a D or F in JROTC for each nine weeks and the semester, or an F in any subject. Cadets who do not meet the above criteria will be suspended from all team activities temporarily. The cadet's suspension is not a punishment. The cadet will have the chance to bring up his or her grade. Once they have done so, they will be able to resume training with their perspective team. If the cadet have all passing grades at mid-nine weeks and their grades are above 2.0, they may resume team practice and competition. OSS will result in a 2-week or longer suspension from all team activities. ISS will result in a 500 word essay on the important of classroom behavior. The following organizations and activities are authorized within the Dinwiddie High School JROTC program:

- d. Air Rifle Team

Team Arc-Cord-Ribbon Criteria

Excused absences will be considered on a case by case basis by the SAI/AI. Verified absences will not be counted against you. If you will be absent you must write a note to the team commander and inform the SAI/AI.
- 2) Cadets must maintain their grades in accordance with the guidelines above.
- 3) Cadets who fully participate in a competition will be awarded the appropriate ribbon. The SAI/AI will make final decision regarding awarding of a ribbon with input from Team Commanders.
- 4) Cadets may only miss 2 practices a month and consistently attend and actively participate in all team practices to retain the cord. Final decisions regarding the retention of a Team Cord and Arc by a cadet member will be made by the SAI/AI with input from the Team Commander.
- 5) Cadets who are no longer practicing with the team for which they earned the Cord and Arc will return the Cord and Arc to the Team Commander.
